ABOUT ME

Operations and commercially-driven professional with a background in Industrial Engineering and experience across project coordination, client engagement, and data-driven decision-making. Currently working in a client-facing commercial role, supporting software vendors in understanding product performance and identifying growth opportunities. Skilled in CRM systems, process optimization, and cross-functional collaboration, with a strong focus on delivering efficient solutions and building long-term client relationships.

EDUCATION

Los Andes University - Bogota | Bachelor
Industrial Engineering
(B.Sc.)

WORK EXPERIENCE

SOFTWARE MARKETING SPECIALIST | 02/2026 - Current
SourceForge - Bogota

- Manage outbound communication with software vendors, introducing SourceForge's paid features and value proposition.
- Engage with potential and existing clients to understand their needs and identify opportunities for collaboration.
- Monitor client activity and platform engagement to identify interested prospects and prioritize outreach efforts.
- Maintain CRM records and track interactions, ensuring accurate follow-up and pipeline visibility.

ASSOCIATE & PROJECT MANAGER | 02/2024 - 05/2025
DIALECTICA - Bogota

- Spearhead cross-functional projects from initiation to completion, ensuring on-time delivery and stakeholder satisfaction.
- Designed and implemented streamlined workflows, improving project efficiency by 20% and reducing turnaround times.
- Collaborated with leadership to define project scopes, milestones, and KPIs, ensuring alignment across sales, operations, and research teams.
- Established reporting structures and trained junior associates to strengthen long-term team performance.

ANALYST | 02/2023 - 02/2024
D&D IMPLEMENTOS SAS - Bogota

- Supported implementation of operational workflows and reporting systems, improving decision-making efficiency.
- Conducted market and performance analysis, providing insights that shaped procurement and sales strategies.

- Coordinated activities across sales, finance, and marketing teams to ensure seamless execution of business operations.
- Assisted in vendor selection and contract negotiations to optimize costs and efficiency.

CONSULTING ANALYST | 02/2022 - 02/2023

NEXTANT (MICROSOFT) - Bogota

- Coordinated multiple client-facing projects, ensuring timely deliverables and adoption of Microsoft solutions.
- Managed project tracking, resource allocation, and reporting dashboards to support leadership decisions.
- Maintained continuous client engagement to gather feedback, identify risks, and implement improvements.
