PABLO GÓMEZ LONDOÑO

Business Analytics & Growth Manager | Commercial Intelligence & Global Partnerships
Armenia, Quindío, Colombia (Remote) | +57 317 6567891 | gomezlondonopablo@gmail.com | linkedin.com/in/pablo-gómez-londoño-50a86a295

PROFESSIONAL SUMMARY

Business Administrator (Universidad EAFIT) with over 6 years of experience driving commercial intelligence, advanced business analytics, cross-functional leadership, and high-impact international programs. Proven record closing individual high-value contracts exceeding $70,000+ USD each across institutional, governmental, and private enterprise sectors. Expertise in quantitative and qualitative data analytics: extracting, cleansing, and modeling multi-source datasets (HubSpot CRM, Apollo.io, Notion databases, advanced Excel with logical modeling and lookup functions) and leveraging Generative AI workflows (Claude, Gemini, ChatGPT) for strategic decision-making. International track record leading open innovation initiatives in collaboration with premier global organizations, trade agencies, and governments (Ontario Government, JETRO Japan, ITA Italy, KSC, Draper University, CORFO, Endeavor). Solid entrepreneurial business acumen across operations and P&L governance. Bilingual (English C1 / Spanish Native) with continuous technical upskilling (SQL at DataCamp).

PROFESSIONAL EXPERIENCE

Elpis Labs | Growth & Partnerships Manager / Business Analytics Lead

Apr 2024 – Present | Remote (New York, USA)

- **Institutional & Commercial Deals Closed ($70K+ USD Each):** Prospected, negotiated, and closed multiple high-value institutional and corporate agreements exceeding $70,000+ USD each, partnering with international trade agencies, regional development organizations, and global innovation programs.
- **Team Leadership & End-to-End Program Delivery:** Led and mentored dedicated cross-functional project teams executing full-lifecycle international immersion and softlanding programs in New York City and Miami for delegations of international startup founders, governing on-the-ground operations, financial budgets, and executive agendas.
- **Enterprise Ecosystem Alignment:** Connected startup leadership teams and executive cohorts with high-level corporate decision-makers and venture leaders across the U.S., facilitating pilot evaluations, strategic alliances, and commercial scale.
- **Commercial Data Governance & Business Intelligence:** Spearheaded the extraction, transformation, and analytical modeling of multi-channel sales and operational data across HubSpot CRM, Apollo.io, and Notion databases; designed advanced analytical frameworks and Excel reporting suites to evaluate pipeline velocity, conversion metrics, cohort retention, and strategic KPIs.
- **Generative AI & Analytical Workflow Automation:** Architected prompt engineering frameworks and deployed AI systems (Claude, Gemini, ChatGPT) to automate

competitive benchmarking, synthesize complex market datasets, and optimize commercial intelligence workflows.
- **Global Open Innovation Initiatives:** Directed and collaborated on open innovation and international softlanding initiatives with top-tier trade organizations, accelerators, and government entities, including the Ontario Government, JETRO (Japan), ITA (Italy), KSC (Korea Startup Center), Draper University, and CORFO-backed entities.

Rincón del Mangle | Co-Founder / Managing Partner

May 2025 – Present | *Remote / Rincón del Mar, Colombia*
- **Business Modeling & Operational Governance (HORECA):** Co-founded and structured financial models, unit economics, budgeting, and operations for a beachfront boutique hotel venture.
- **Cost & Revenue Optimization:** Designed reporting and operational controls to achieve high profitability and full day-to-day managerial autonomy.

La Reina | Founder / Managing Director

Jan 2023 – May 2024 | *Armenia, Quindío, Colombia*
- **General Management & Business Acumen (Retail):** Built and scaled business operations from the ground up, directing cash flow, P&L, pricing strategy, customer acquisition, and staff management.
- **Unit Economics & Margin Analysis:** Monitored sales trends, inventory turnover, and product profitability to optimize operational margins.

Banaplast | Operations & Key Account Associate (KAM)

Mar 2020 – Dec 2022 | *Armenia, Quindío, Colombia*
- **B2B Portfolio & Inventory Data Analysis:** Analyzed finished goods inventory levels, turnover rates, and accounts receivable metrics for manufacturing clients in the Urabá region. (Company acquired by multinational TC Transcontinental).
- **Commercial KPI Reporting:** Generated structured reports on client consumption patterns, reorder points, and accounts reconciliation.

Be-innergy (Inversiones Beinnergy Detox S.A.S.) | Branch Director / Operations Coordinator

Jan 2019 – Feb 2020 | *Medellín, Colombia*
- **Team Leadership (Healthy Food & Wellness Sector):** Directly led a team of 10+ operational employees, managing daily branch performance, procurement, and supplier logistics while completing university degree.

EDUCATION & CONTINUOUS LEARNING

- **Bachelor of Business Administration (BBA)** — Universidad EAFIT, Medellín, Colombia (2016 – 2020)
- **Technical Upskilling:** SQL for Data Analysis (In Progress via DataCamp).

- **Languages:** English (C1 Fluent / 3+ Years Conducting U.S. and Global Business) | Spanish (Native).
